**SENATE BILL**

**No. 702**

**Introduced by Senator DeSaulnier**

February 27, 2009

---

An act to amend Section 1596.60 of the Health and Safety Code, relating to child day care.

LEGISLATIVE COUNSEL'S DIGEST

SB 702, as amended, DeSaulnier. Ancillary day care centers: employees: trustline providers.

Existing law, the California Child Day Care Facilities Act, provides for the licensure and regulation of community care and residential facilities, including, but not limited to, child day care facilities, by the State Department of Social Services. Under existing law, a violation of any of these provisions is punishable as a crime.

Existing law requires the State Department of Social Services to establish a trustline registry and, upon submission of the trustline application and fingerprints, to enter into the trustline registry the provider's name, identification card number, and an indicator that the provider has submitted an application and fingerprints, which would be known as a "trustline applicant."

This bill would specify that the trustline registration provisions apply to an employee of an ancillary day care center, as defined.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: no.
